

Filter Replacement Guide

Meet your customers' indoor air quality needs and supplement your service business with Honeywell's full line of replacement filters. From media air cleaner replacements, to high performance return grill filters, Honeywell has a wide range of sizes and designs to fit nearly any application - including competitive brand air cleaner models. You can count on Honeywell replacement filters to offer long-lasting, high efficiency performance without compromising airflow.

Honeywell

FC200 & FC100 | Cartridge Filters

The FC200 high efficiency replacement media filters continue to set the standard for high-end media replacements with MERV 13 performance. For a great value, try the FC100 which provides MERV 10 performance with low pressure drop

PopUP | Media Replacement Filters

PopUP Media Replacement Filters provide MERV 11 performance. It ships flat so it won't take up valuable room on your truck, and its packaging is designed to protect it from damage

FC40R & FC20R | Return Grille Filters – Honeywell Exclusive

Our patented line of return grille air filters provide long-lasting performance at lower pressure drop than a one inch pleated filter. Use in combination with an air filter, or in standalone applications. Available in 4" and 2" sizes

AprilAire® Replacements

FC2400 & FC2200 | Direct Replacement Filters

For your customers who have an installed Space-Guard® or Aprilaire® cabinet, Honeywell continues to offer a complete line of media filter replacements with MERV 10 performance

PopUP2400 & PopUP2200 | Media Replacement Filters

These PopUP Replacement Filter models are specifically designed to quickly and easy install directly into an Aprilaire® media cabinet without the use of a plastic inner frame and achieve MERV 11 performance.

FC100A1037 & FC200E1037 | Cartridge Filters

Take advantage of the great features of Honeywell's FC200 & FC100 family with these models to replace installed Aprilaire® Model 2200.

Trane

TRN | Cartridge Filters

Offer better value and high efficiency with these models designed specifically to replace installed Trane Perfect Fit™ filters with MERV 10 performance.

*Perfect Fit is a trademark of Trane.
Aprilaire is a registered trademark of Research Products Corporation*

Filter Replacement Selection Guide

HONEYWELL AIR CLEANERS:

From left to right:

GOOD: F100 — Private Labeling and Replacement filter service opportunity

BETTER: F200 — Pressure sensor in door tells you when to replace the filter

BETTER: F300 — Lowest pressure drop over time

BEST: F500 HEPA — Highest efficiency on smallest particles with an extra level of filtration
