AprilAire Thermostat

QUICK START GUIDE

iOS Wi-Fi Thermostat App

iOS

For Android instructions, see reverse side.

DOWNLOAD THE APP

 Search and install the AprilAire Wi-Fi Thermostat App from the App Store.

CREATE A NEW APRILAIRE ACCOUNT

- **2.** Open the app on your device.
- 3. Tap Create Account.
- 4. Enter a valid email address and choose a password for your AprilAire User Account and tap Create Account.
- 5. Fill in your personal information and tap **Continue**.
- 6. Enter your information and select a world time zone. This will ensure you have access to local weather data and that the time on your thermostat is correct. Tap **Continue**.

CONNECT YOUR WI-FI THERMOSTAT TO YOUR HOME NETWORK

- 7. Select Add a Device.
- 8. Select your thermostat model.
- 9. Follow the prompt at the top of the screen and press **Continue** when ready. Instructions will vary depending on your model number.
- 10. Select Open Network Settings to open your AprilAire settings screen.
- 11. Select < Settings to access the main Settings menu.
- 12. Scroll up to Wi-Fi and select it.
- 13. A Wi-Fi network including "APRILAIRE" in the title should appear in your list of network options. Tap that network (thermostat) to proceed. **NOTE:** This step may take up to one minute to complete.
- **14.** Return to the AprilAire app.
- 15. Tap Continue.

SELECT YOUR HOME NETWORK

16. Select your home network from the list.

CONNECTING TO YOUR HOME NETWORK

- We recommend that you select (show password). Enter the password to your home Wi-Fi network.
- 18. Tap Continue.
- **19.** The app will show a progress bar showing the connection process.
- 20. When finished, tap Select Location.
- **21.** Select **Home** as the default location or enter a custom location name.
- **22.** Assign your new device to a room, or enter a custom room name.
- **23.** Congratulations! You have successfully registered your thermostat. Tap on the tile to open the thermostat control screen.
- 24. You can now access and control your thermostat from your mobile device.
